

Class of 2020 Scholarship Fundraising Program & Guidelines

Overview:

- Each year, HWNT Fort Worth commits to awarding at least \$10,000 in scholarship awards to students who successfully complete the Latinas in Progress (LIP) program, submit a complete HWNT Scholarship Application, and are recommended for an award by the Scholarship Committee.
- The \$10,000 can be composed of funds raised by HWNT Fort Worth to support the LIP/Scholarship Program as well as from generous donors and sponsors.
- Donations are collected year-round and all contributions are welcome and appreciated.

Matching Program:

- To support the annual commitment, HWNT Fort Worth has a scholarship donation-matching program where donations of \$500 will be matched, pending availability of funds. This turns a \$500 award into an award worth \$1,000 to a LIP student.
- The HWNT Fort Worth Board sets aside a minimum of \$5,000 every year to support the scholarship-donation matching program to help us stretch our organization and donor's dollars. Once the \$5,000 match has been allocated, HWNT Fort Worth continues to accept scholarship donations but will not be able to guarantee that the donated funds will be matched.
- Donors may pool their dollars with other friends, family members, etc to reach the \$500 threshold as long as the intended scholarship fund is clearly noted for record keeping purposes using the HWNT Scholarship Pledge/Donation Form. General donations may be made through the state online donation form: [HWNT State Donation Site](#)
- Donors that meet the \$500 threshold may designate that the scholarship award be given in honor or memory of someone special, such as a mother or grandmother, regardless of whether the donation is matched or not.

General Information:

- HWNT Fort Worth's intent is to present awards of at least \$500 to individual scholarship recipients, pending availability of funds. The goal of HWNT Fort Worth is to possess the financial capability to award larger scholarships of \$1,000, \$2,000, \$5,000 or more to help support the talented and deserving LIP graduates as they pursue their higher educational goals.
- Donations less than \$500 are welcome and will be used to support the general HWNT Scholarship Fund that benefits eligible LIP students.
